## BW-03060S

The BW-03060S electronic lock stands out for its slim design with narrow escutcheons that give the door and the room a plus of style and elegance.

Its high technological level combined with the opening via Bluetooth, MiFare proximity card and remotely online, through Gateway, make BW-03060S one of the models with the greatest projection in the hotel sector.

## Innovations

---

slim profile escutcheon, with narrow and straight lines for a minimalist aesthetic.  
FINISHES: inox, black edition, white, gold, anti-bacterial

BLUETOOTH, for guest openings, setting up, management and maintenance of the lock.

remote opening and management by including Gateways in the installation.

electronic lock that adapts to existing mortise locks, even in narrow profile aluminum doors.

openings, opening attempts, exits, etc. Audit synchronized with the front desk PC.

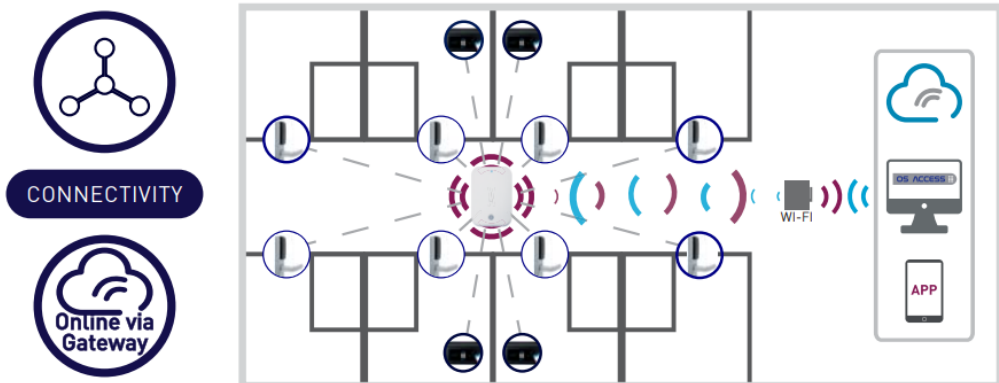

## Features & Standards

- Electronic lock opening via Bluetooth and MiFare proximity.
- Option to open and manage online by installing Gateways.
- Escutcheon with adaptable handle, for doors of left or right opening.
- PVD (Phase Vapor Deposition) lacquered colors, with greater resistance to abrasion and corrosion.
- Guaranteed operation in the most adverse climatological environments. Stainless steel AISI 304 or AISI 316 manufactured.
- Electromechanical privacy function with exterior visual indicator to prevent entries of unauthorized persons.
- Hidden mechanical cylinder, for auditable emergency openings, and micro USB type C connector for power
- in case of depleted batteries. Both hidden and protected with a rubber cap.
- Visual and acoustic indicators to facilitate their use by disabled persons, as well as for additional functionalities such as low battery warnings to personnel, privacy indicator, etc..
- Single app for administrator, hotel staff and guests. UpKey allows different functionalities according to the registered user profile.
- The guest is automatically logged into the app via a link created by the hotel, which the guest receives in an email.
- Customized app option and integration with third parties.
- Operates with 4 standard AA batteries.

### A SOLUTION FOR EVERY NEED
